FEAAR'S

For all weekend weddings (Friday-Sunday) a minimum booking of 4 total services (example: bride hair + 3 bridal party hair) is required.

I require a retainer fee and signed contract upfront to move forward with locking in your date with me. With my current demand, I am not able to hold your date tentative and do a bridal consultation before booking. A bridal preview will happen later on about 1-3 months prior to the wedding.

You are able to reserve my services for hair only or a combination of hair and makeup services based on your personal preference as well. I am always able to accommodate however many services you need which sets me apart from other artists in my industry.

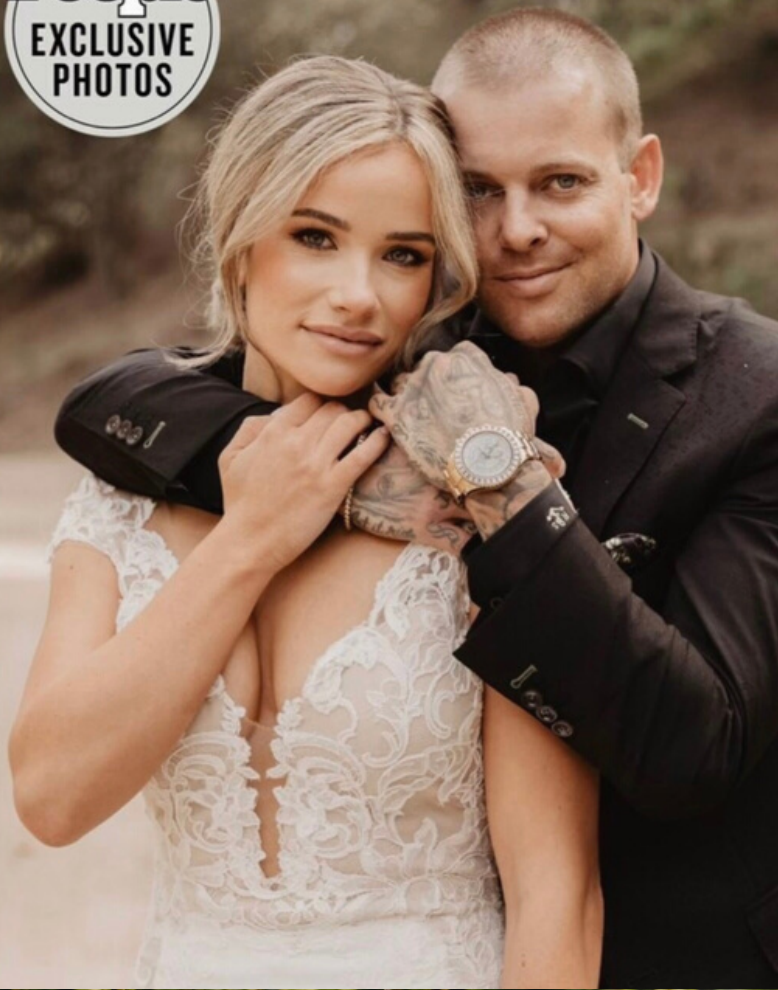

## FEAQS

You are required to solidify your total service count being requested with me within 60 days prior to the wedding date to help assist in selecting additional artists available if needed.

Although one is not required, I highly recommend a bridal preview for your wedding to try out your look before the event. I set aside 2-3 hours to have a detailed consultation with each of my brides.

You may always add services leading up to the wedding day if enough time and artists permit. The day of the wedding, we cannot guarantee anyone trying to add on a service and this will be subject to artists terms and schedule. Services may not be removed from the schedule once the contract is signed within 60 days of the wedding.

GALLERY

A romantic wedding scene set outdoors in a garden. A bride in a white lace gown and veil is kissing a groom in a dark suit. The bride holds a large bouquet of white and pink flowers. In the background, guests are seated in wooden chairs, and a white wall with a large arched doorway is visible under lush green trees. The overall mood is elegant and intimate.
